ADDITIONAL INFORMATION

In the space below, provide any additional information that will assist us in evaluating your qualifications for employment, including technical training/education, professional certifications, employee awards, memberships, and scholastic honors. CERTIFICATION -- PLEASE READ CAREFULLY

(You must initial every paragraph and sign below.)

1. _____ I certify that the answers given by me to questions on the application and statements made by me are complete and true to the best of my knowledge and belief. I understand that any misrepresentation, falsification, or omission of information may result in denial of employment or, if hired, may result in termination. I understand that the Company will consider this application active for 60 days from the date of submission, after which I must reapply if interested in employment.

2. _____ I agree and understand that, if I am hired, my employment with the Company will be at-will, which means that the Company or I may end the employment relationship at any time, with or without cause or prior notice. I also understand that this at-will aspect of my employment may not be changed except by an individualized written employment agreement signed both by the Company's CEO or President and me.

3. _____ I authorize the Company to contact my former employers, references, and any and all other persons and organizations for information bearing upon my qualifications for employment. I further authorize the listed employers, schools and personal references to give the Company all information about my previous employment and education, along with any other pertinent information they may have.

4. _____ I agree that to the fullest extent allowed by law, any controversy, claim or dispute between me and the Company, and/or any of its related entities, holding companies, parents, subsidiaries, divisions, officers, shareholders, directors, employees, agents, insurers, predecessors, successors, and assigns (collectively, "Company") relating to or arising out of my application for employment, employment, or the cessation of my employment will be submitted to final and binding arbitration as the sole and exclusive remedy, regardless of whether such dispute is initiated by Company or me. All claims subject to this Agreement must be arbitrated in an individual capacity. Both Company and I expressly waive our rights (i) to utilize class or collective action procedures in asserting a claim subject to this Agreement; and (ii) to the extent permitted by applicable law, including the Federal Arbitration Act, to utilize representative action procedures in asserting a claim subject to this Agreement. Under no circumstances shall the arbitrator have jurisdiction to decide any dispute on anything other than an individual basis. The arbitration shall be before a neutral arbitrator in the county in which I work or last worked for Company, for determination in accordance with the JAMS Employment Arbitration Rules and Procedures (including any subsequent modifications or amendments to such Rules), to the extent those Rules do not conflict with this Agreement. (I understand that a copy of the most current JAMS Rules may be obtained from Company's Human Resources Department or by visiting <http://www.jamsadr.com/rules-employment-arbitration/>.) In any such arbitration, the parties may conduct discovery to the same extent as would be permitted in a court of law. The arbitrator will issue a written decision stating the essential findings and conclusions on which the award is based, and will have full authority to award all remedies that would be available in court. Company will pay all arbitrator's fees and costs beyond what would normally be incurred had the matter been resolved in court. Any judgment upon the award rendered by the arbitrator may be entered in any court in the county where the arbitration award was rendered. Questions of arbitrability, including whether claims can proceed on a class, collective, or representative basis, may only be decided by a court. This Agreement is governed by and enforceable under the Federal Arbitration Act. If for any reason the Federal Arbitration Act is held not to apply to this Agreement or any portion of it, the Agreement shall, to that extent, be governed by and enforceable under the laws of the state in which I am or was last employed by Company. If any provision of this Agreement is found to be unenforceable, the remainder of this Agreement shall remain in full force and effect, as if the unenforceable or invalid provision did not exist. **BY AGREEING TO THIS BINDING MUTUAL ARBITRATION PROVISION, BOTH I AND COMPANY GIVE UP ALL RIGHTS TO A TRIAL BY JURY.**
